

THE RAYMOND G. PERELMAN CENTER FOR JEWISH LIFE 10 YEARS OF HOME

Hillel
at Drexel University

10 YEAR ANNIVERSARY CAMPAIGN GOALS & OBJECTIVES

In 2016, in partnership with Drexel University, Hillel at Drexel opened the Raymond G. Perelman Center for Jewish Life at Drexel University. In the 10 years since, the space has made a significant positive impact on Jewish life on campus and is now in need of refurbishment and technology improvement. Using the 10 year anniversary of the building's opening as a lever to expand both fundraising and engagement, Drexel Hillel seeks to expand our engagement with all constituents while generating necessary funds for building improvement and long-term organizational financial sustainability. Through joyful celebration and storytelling, we invite alumni, parents, students, faculty, and friends to connect, celebrate our shared history, and invest in the next decade of Jewish life at Drexel.
